

Kid Doo Wop's Night Train Vault Of Memories Show

“Kid Doo Wop” (Jared Panek) was born and raised in McKeesport and is a 2003 graduate of McKeesport High School.

His love for “The Oldies” was instilled upon him from his uncle Jim and his parents.

Through his own motivation to research, he has become extremely knowledgeable of the history of oldies music, groups, group members, and record labels.

His D.J. Career started at the age of 17 through his inspiration for oldies and quickly developed friendships with many D.J's including legends “Terry Lee” and “Porky Chedwick”. He soon became a regular on WLSW 103.9FM in Connellsville. He originated his own show the “Night Train” and through the years was on most weekends at various times.

Now, with the passing of the owner, Stan Wall and the selling of WLSW, “Kid Doo Wop” is beginning a new Sunday night “Night Train Vault Of Memories” show each and every Sunday from 5:00PM till sign off on 770AM & 97.5FM.

“KID DOO WOP” AND HIS LISTENERS WOULD GREATLY APPRECIATE YOUR CONSIDERATION FOR ANY ADVERTISING SUPPORT YOU CAN OFFER.

THANK YOU
